INLAND SOUTHERN CALIFORNIA BREWERS GUILD

Your member profile: a quick guide

Every Guild member has a page on the Guild's member directory at **iscbrewersguild.org**. This guide lists what to gather before you start, and walks you through each step of the setup.

Good to know

- **About 10 minutes.**
  Longer if you're uploading photos.
- **Photo file formats are important.**
  Your logo must be a PNG file. If you don't have one, you can easily get it converted (step 4 links to a free tool). All other photos can be PNG or JPG.
- **Only the first three steps are required.**
  Everything after "The basics" can be skipped and finished later.
- **Save & exit any time.**
  Your work is saved as you type. Sign in again to pick up where you left off.
- **Nothing goes live until you publish.**
  Preview your page first, then publish when it looks right.
- **Several locations?**
  If one person manages all of them, see Part 4, "Managing several locations".

How to sign in

1. Click the link in your invitation email. Or go to **iscbrewersguild.org**, scroll to the bottom of the page and click **Member Portal**.
2. Enter the email address the Guild sent your invitation to, and click **Email me a link**. There's no password.
3. Open the sign-in email. Click its link, then **Sign in**. Or type its 6-digit code on the sign-in page. Either works on any phone or computer, once, for about an hour.
4. The setup wizard opens and walks you through each step.

Which type of member are you?

The Guild has already set your type. You'll confirm it in step 2. It decides which parts of your page appear, so some steps in this guide apply only to one type. Look for these tags:

PRODUCER

Producer with a taproom

Brewery, meadery, cidery or distillery the public can visit. Your page shows weekly hours, "Open now" and directions.

MOBILE

Mobile member

Entertainment, food truck or pop-up food vendor. Your page shows where you'll be next instead of weekly hours.

AFFILIATE

Affiliate Member

Supply house, ingredients, equipment or services. Your page shows business hours, a trade contact and your Guild member discount.

Is the wrong type showing? Pick the right one in step 2 by choosing *That's not right*. After that, your type is locked. To change it later, use **Request a type change** on Basics & hours and the Guild will take care of it.

PART 1

Checklist: what you'll need

Tick things off as you gather them. Items without a tag apply to everyone. REQUIRED items are needed before you can finish setup. Everything else can be added later.

- [ ] Business address and ZIP code AFFILIATE
- [ ] Service area MOBILE AFFILIATE
  For example, "Riverside and San Bernardino counties".
- [ ] Tagline
  One short line about you.
- [ ] Phone

- [ ] Logo background: white, dark, or your theme color
  You'll see a preview and can pick what looks best.
- [ ] A wide cover photo
  The band across the top of your page, picked from your photos. A landscape shot works best. For example, use your Facebook cover photo. No cover? Your theme color fills the band.
- [ ] Up to four photos for the carousel on your page
  JPG or PNG, up to 25 MB each. Tall (portrait) photos work best. Lead with your best one. Already posted it on Instagram or Facebook? Upload the original from your phone's camera roll; it's sharper than the posted copy.
- [ ] Optional: a link for each photo
  For example, the Instagram post it came from.
- [ ] Optional: your photographer's email or phone
  You can send them an upload link so they add photos straight to your gallery, with credit.

5 When you're open — Step 5

- [ ] Opening and closing times for each day, and which days you're closed PRODUCER AFFILIATE
- [ ] Upcoming holidays or one-off changes PRODUCER AFFILIATE

- [ ] Upcoming events, such as trivia nights, releases and open houses PRODUCER AFFILIATE
  Add them by hand, or connect a calendar (copy its link **on a computer**: Google's phone app doesn't show it; after that, add events from your phone or computer): put your tag (for example #guild) in the title or description of each event you want shown. Its description shows on your profile too. Events in the next two weeks also appear on the Guild homepage as calendar pages with your logo and color, so a clear title helps. Using Google Calendar? Watch the 3-minute how-to: press **Watch how** on your Events page, or go to livid.com/watch/H1WWGjbnsr9p.
- [ ] Food (your Food page): food trucks, pop-ups and your own kitchen's specials, from your events calendar with their own tag, for example #food. Have your own kitchen? Turn on **We have our own kitchen** and days with nothing listed say "Kitchen open". How-to video: press **Watch how** on your Food page, or go to livid.com/watch/v5XYPWwgyFVb (2:04) PRODUCER
  Vendor name in the title, menu link in the description. Your profile shows the next 7 days; days with no vendor say "Bring your own food".

- [ ] Instagram, Facebook and TikTok pages
- [ ] Tap list link PRODUCER
- [ ] Press kit link MOBILE
- [ ] Catalog link AFFILIATE

- [ ] How members redeem it AFFILIATE
  For example, "Call us and confirm you're a Guild Member in good standing".
- [ ] What you supply AFFILIATE
  Tick every category that fits, such as Malt & grain, Brewing Equipment or Packaging & Canning Supplies.

9 Pick your theme

Step 9

- [ ] One of eight colors for your page
  Amber, Rust, Garnet, Plum, Indigo, Teal, Forest or Olive. Skip it and your page stays Amber.

After you're live

Signing in to **Member Portal** now opens your profile editor. A **Finish your profile** card lists anything still empty. Edits save to a draft. Your page only changes when you click **Publish changes**. Event changes show right away.

Want help keeping it up to date?

The owner can invite others under **People**: a **Full editor** can edit everything, and a **Photos & events** editor can edit just those two sections. Each person gets their own sign-in email.

Questions? Reach the Guild through the contact form at iscbrewersguild.org or email iscbrewersguild@gmail.com.

PART 4

Managing several locations

For businesses with more than one location, where the Guild has set up **one manager** for all of them. Each location still has its own page on the directory. If each of your locations is run separately, skip this part: every location works as described above.

Shared by every location

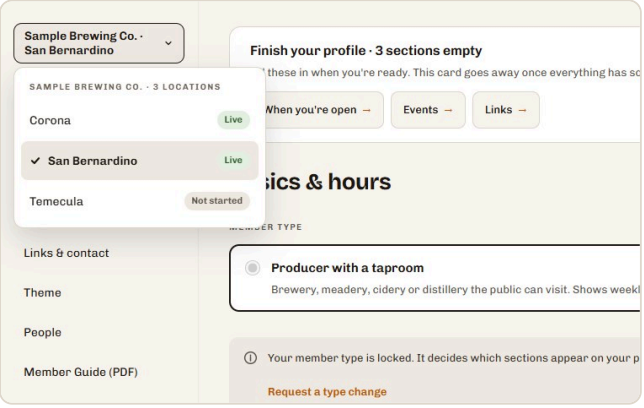

- **Logo, cover and theme.**
  Change them on any location and every location changes.
- **One sign-in.**
  The Guild sends one invitation to the business manager.

Each location's own

- **Everything else.**
  Address, hours, photos, events, links and phone.
- **Publishing.**
  Each location goes live on its own, when you publish it.

A Switch between locations

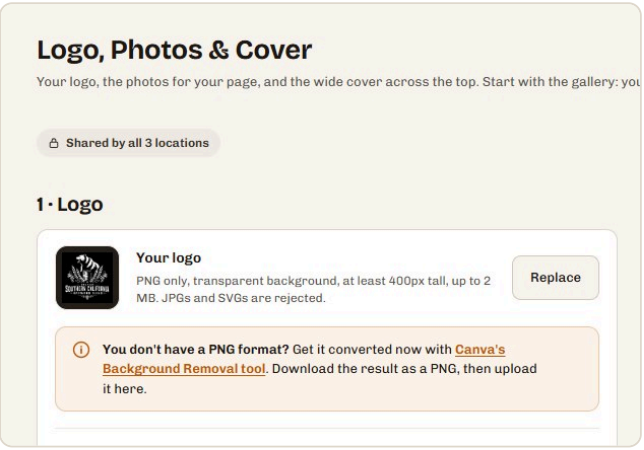

BUSINESS MANAGER

- The box at the top of the menu shows which location you're editing.
- Click it to open another location. Each one shows **Live**, **Setting up** or **Not started**.
- New locations are added by the Guild. You'll get an email when one is added.

B The shared logo, cover and theme

BUSINESS MANAGER

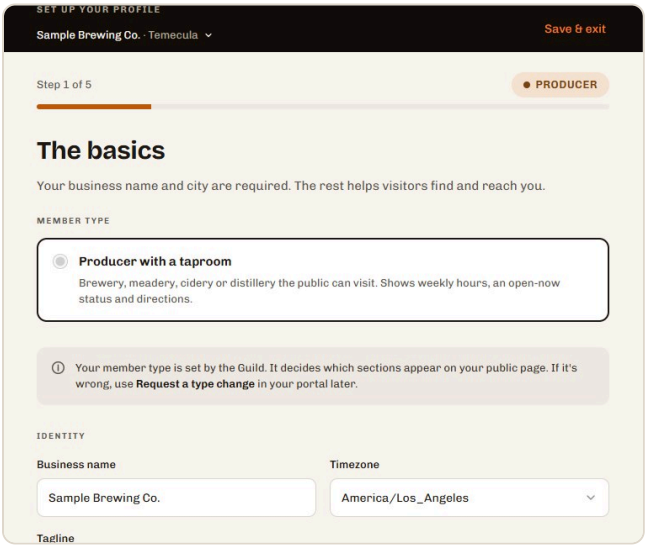

- The label **Shared by all 3 locations** marks what is shared.
- Change the logo, cover or theme here and every location updates. Each live location shows the change once you publish.

C Setting up your other locations

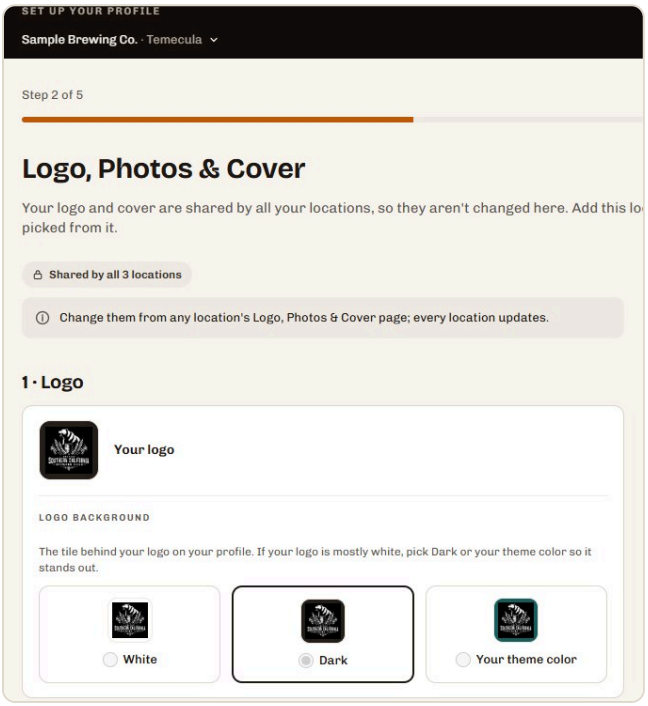

Set up your first location with the full setup above. Each location after that gets a **short setup**: no Welcome and no theme step, since those are already done.

BUSINESS MANAGER

- The steps start with **The basics** ("Step 1 of 5" for a Producer).
- Your tagline, phone, member-since year and links are filled in from your first location. Change anything that's different here.
- Fill in this location's own address and hours.

BUSINESS MANAGER

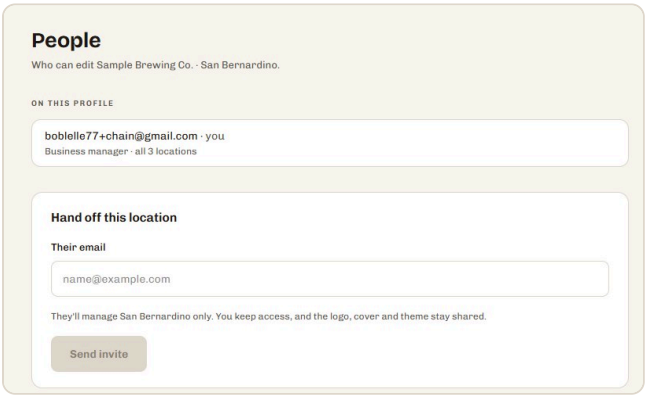

- The logo and cover are already there and can't be changed in this step. Add this location's own photos to its gallery and carousel.
- When this location is live, the last screen offers **Set up [next location] next**.

D Handing a location to its own manager

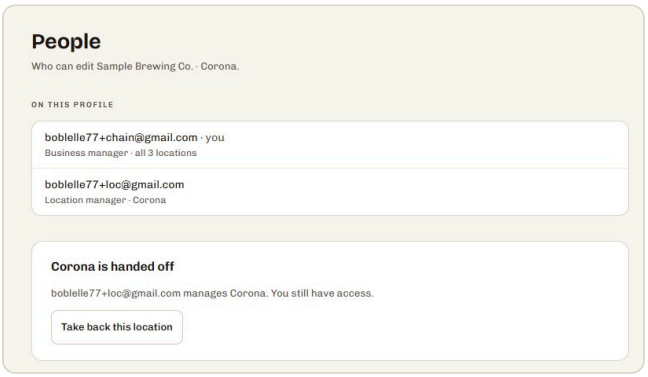

Does someone else run one of your locations day to day? Hand that location off. They manage it; you keep access to it, and the logo, cover and theme stay shared.

BUSINESS MANAGER

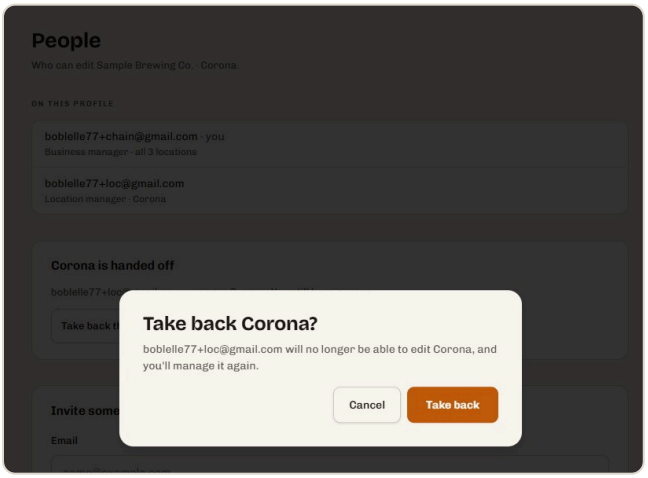

- Switch to the location, then open **People**.
- Under **Hand off this location**, enter their email and press **Send invite**.
- They get an email with a sign-in link. It lasts 14 days. You can **Resend** or **Cancel invite** from this page.

BUSINESS MANAGER

- Once they sign in, they're the **Location manager** and the page shows who manages it.
- You're always listed as **Business manager**. No one can remove you from here.

BUSINESS MANAGER

- To manage it yourself again, press **Take back this location**, then **Take back**.
- The location manager loses access right away. Anything they published stays live.

E If you manage one location

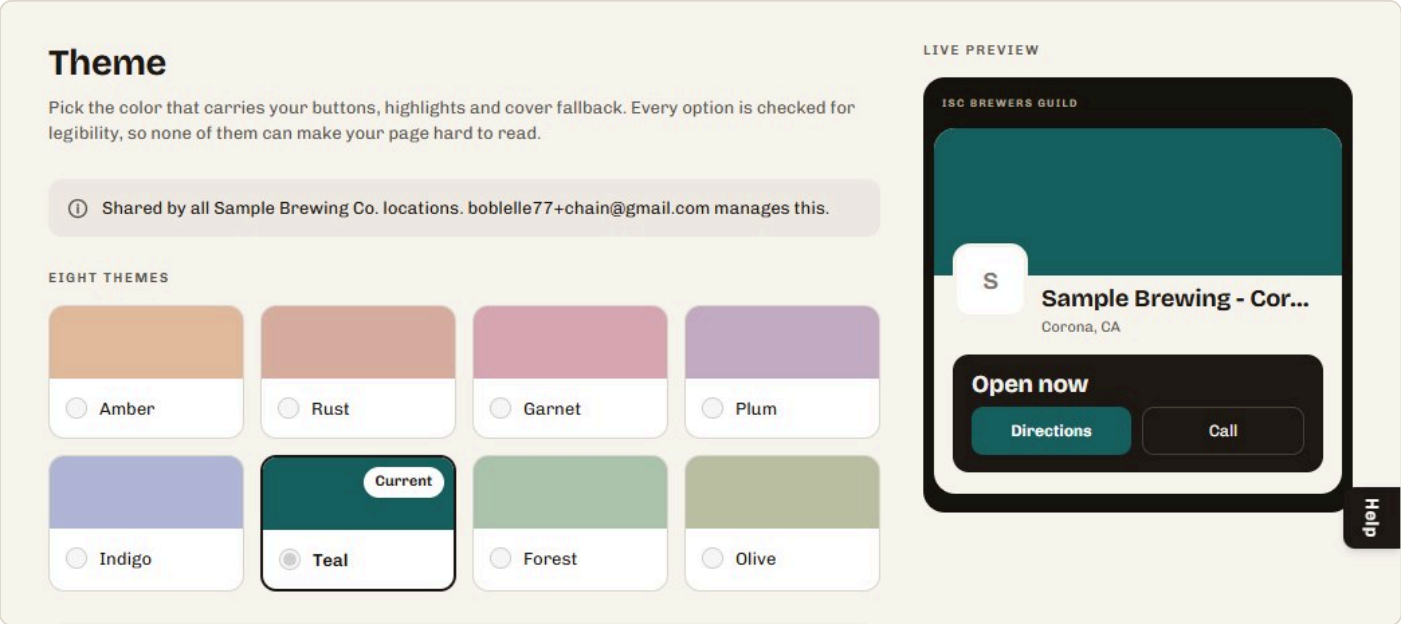

You were invited to manage one location of a business. Sign in as described on page 1, with the address the invitation was sent to.

LOCATION MANAGER

- **People** lists the business manager and you. You can invite editors for your location.
- Your setup is the short one: the logo, cover and theme are already done.

LOCATION MANAGER

- The logo, cover and theme show the business's look, with a note saying who manages it. Ask the business manager to change them.
- Everything else on your location's page is yours to edit and publish.

The emails

- **Business manager:** "You're invited to manage [business]'s [N] locations on the ISC Brewers Guild member directory", with a sign-in link.
- **Location manager:** "[Business manager] asked you to manage [business] · [city]", with a sign-in link that lasts 14 days.
- **New location:** "A new location, [business] · [city], was added to your business. Sign in to set it up."
