

Your member profile: a quick guide

Every Guild member has a page on the Guild's member directory at **iscbrewersguild.org**. This guide lists what to gather before you start, and walks you through each step of the setup.

Good to know

- **About 10 minutes.**
Longer if you're uploading photos.
- **Photo file formats are important.**
Your logo must be a PNG file. If you don't have one, you can easily get it converted (step 4 links to a free tool). All other photos can be PNG or JPG.
- **Only the first three steps are required.**
Everything after "The basics" can be skipped and finished later.
- **Save & exit any time.**
Your work is saved as you type. Sign in again to pick up where you left off.
- **Nothing goes live until you publish.**
Preview your page first, then publish when it looks right.

How to sign in

- 1 Go to **iscbrewersguild.org** and scroll to the bottom of the page.
- 2 Click **Member Portal**.
- 3 Enter the email address the Guild has for your business. There's no password.
- 4 Open the email we send you and click the sign-in link. Use the same phone or computer.
- 5 The setup wizard opens and walks you through each step.

Which type of member are you?

The Guild has already set your type. You'll confirm it in step 2. It decides which parts of your page appear, so some steps in this guide apply only to one type. Look for these tags:

PRODUCER

Producer with a taproom

Brewery, meadery, cidery or distillery the public can visit. Your page shows weekly hours, "Open now" and directions.

MOBILE

Mobile member

Entertainment, food truck or pop-up food vendor. Your page shows where you'll be next instead of weekly hours.

ALLIED

Allied Member

Supply house, ingredients, equipment or services. Your page shows business hours, a trade contact and your Guild member discount.

Is the wrong type showing? Pick the right one in step 2 by choosing *That's not right*. After that, your type is locked. To change it later, use **Request a type change** on Basics & hours and the Guild will take care of it.

PART 1

Checklist: what you'll need

Tick things off as you gather them. Items without a tag apply to everyone. **REQUIRED** items are needed before you can finish setup. Everything else can be added later.

2 Your member type

Step 2

- ☐ Confirm the type the Guild set, or pick the right one **REQUIRED**

3 The basics

Step 3

- ☐ Business name **REQUIRED**
- ☐ City **REQUIRED**
Plus state.
- ☐ Street address and ZIP code **PRODUCER**
Start typing and pick your business from the suggestions. This places your pin on the Guild map.
- ☐ Business address and ZIP code **ALLIED**
- ☐ Service area **MOBILE** **ALLIED**
For example, "Riverside and San Bernardino counties".
- ☐ Tagline
One short line about you.
- ☐ Phone
Called "Booking phone" for Mobile members and "Sales phone" for Allied Members. Shown as tap-to-call. Mobile members can add more booking links under Links (step 7).
- ☐ Sales email **ALLIED**
- ☐ Year you joined the Guild ("Member since")
- ☐ What you offer **MOBILE**
Tick all that fit: Entertainment, Food Truck, Pop-up Food Vendor.

4 Logo, Photos & Cover

Step 4

- ☐ Your logo as a **PNG** file
Transparent background, at least 400px tall, up to 2 MB. Only have a JPG? Step 4 links to Canva's free Background Removal tool to make a PNG.
- ☐ Logo background: white, dark, or your theme color
You'll see a preview and can pick what looks best.
- ☐ A wide cover photo
The band across the top of your page, picked from your photos. A landscape shot works best. For example, use your Facebook cover photo. No cover? Your theme color fills the band.
- ☐ Up to four photos for the carousel on your page
JPG or PNG, up to 25 MB each. Tall (portrait) photos work best. Lead with your best one. Already posted it on Instagram or Facebook? Upload the original from your phone's camera roll; it's sharper than the posted copy.
- ☐ Optional: a link for each photo
For example, the Instagram post it came from.
- ☐ Optional: your photographer's email or phone
You can send them an upload link so they add photos straight to your gallery, with credit.

5 When you're open

Step 5

- ☐ Opening and closing times for each day, and which days you're closed **PRODUCER** **ALLIED**
- ☐ Upcoming holidays or one-off changes
PRODUCER **ALLIED**
- ☐ Where you'll be: your calendar's subscription link (ICS) **MOBILE**
Put your tag (for example #guild) in the title or description of each date to show. Or have the dates and places ready to add by hand.

6 Events

Step 6

- ☐ Upcoming events, such as trivia nights, releases and open houses **PRODUCER** **ALLIED**
Add them by hand, or connect a calendar (copy its link **on a computer**: Google's phone app doesn't show it; after that, add events from your phone or computer): put your tag (for example #guild) in the title or description of each event you want shown. Its description shows on your profile too. Events in the next two weeks also appear on the Guild homepage as calendar pages with your logo and color, so a clear title helps. Using Google Calendar? Watch the 3-minute how-to: press **Watch how** on your Events page, or go to livid.com/watch/H1WWGjbnsr9p.
- ☐ Food (your Food page): food trucks, pop-ups and your own kitchen's specials, from your events calendar with their own tag, for example #food. Have your own kitchen? Turn on **We have our own kitchen** and days with nothing listed say "Kitchen open". How-to video: press **Watch how** on your Food page, or go to livid.com/watch/v5XYPWwgyFVb (2:04) **PRODUCER**
Vendor name in the title, menu link in the description. Your profile shows the next 7 days; days with no vendor say "Bring your own food".

7 Link buttons

Step 7

- ☐ Website
- ☐ Instagram, Facebook and TikTok pages
- ☐ Tap list link **PRODUCER**
- ☐ Press kit link **MOBILE**
- ☐ Catalog link **ALLIED**
- ☐ Booking links: your Instagram name (@name) and WhatsApp number **MOBILE**
Optional. They show as "Message on Instagram" and "WhatsApp" buttons so people can book you.

8 Member discount & supplies

Step 8

- ☐ Your discount for Guild members, as a percentage **ALLIED**
If it varies, choose "No fixed percentage" instead.
- ☐ How members redeem it **ALLIED**
For example, "Call us and confirm you're a Guild Member in good standing".
- ☐ What you supply **ALLIED**
Tick every category that fits, such as Malt & grain, Brewing Equipment or Packaging & Canning Supplies.

9 Pick your theme

Step 9

- ☐ One of eight colors for your page
Amber, Rust, Garnet, Plum, Indigo, Teal, Forest or Olive. Skip it and your page stays Amber.

After you're live

Signing in to **Member Portal** now opens your profile editor. A **Finish your profile** card lists anything still empty. Edits save to a draft. Your page only changes when you click **Publish changes**. Event changes show right away.

Want help keeping it up to date?

The owner can invite others under **People**: a **Full editor** can edit everything, and a **Photos & events** editor can edit just those two sections. Each person gets their own sign-in email.

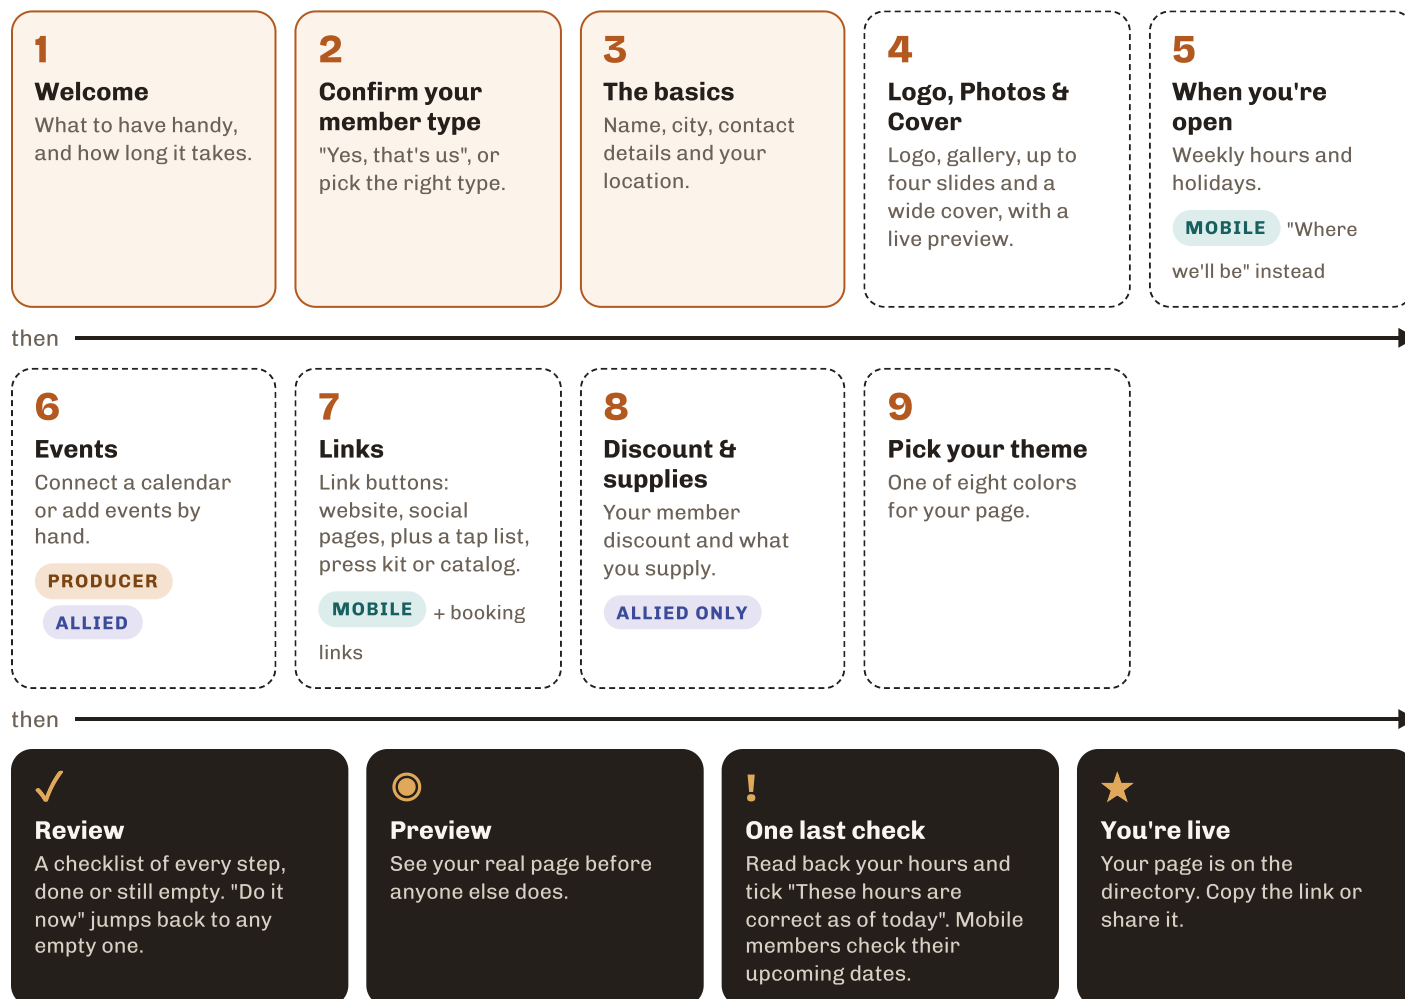

Questions? Reach the Guild through the contact form at iscbrewersguild.org or email iscbrewersguild@gmail.com.

PART 2

The setup wizard, step by step

Each step is one screen with **Back** (after Welcome), **Continue** and, where allowed, **Skip for now**. A progress line shows "Step N of M", with a colored tag beside it naming your member type. Your type decides how many steps you see.

☐ Required ☐ Optional (can be skipped) ☒ Finishing up

Which steps you'll see

STEP	PRODUCER	MOBILE	ALLIED
1-4 Welcome, member type, the basics, logo, photos & cover	Yes	Yes	Yes
5 When you're open	Weekly hours	Where we'll be	Business hours
6 Events	Yes	Covered in step 5	Yes
7 Links	Yes	Yes	Yes
8 Member discount & supplies	—	—	Yes
9 Pick your theme	Yes	Yes	Yes
Total steps	8	7	9

PART 3

What each screen looks like

One step at a time. The tag above each screenshot shows which member type it's for; "All members" means everyone sees the same screen. The screens' own "Step N of M" counts only the steps your type sees.

Events

Tastings, open houses, workshops. Connect a calendar (only the events you tag come in) or add them by hand.

1

Event changes show on your page right away.

Add a calendar

Calendars connect by subscription link (ICS), which your calendar app updates on its own schedule — expect dates to appear here a little behind your calendar.

Set up the link on a computer — one time only. Google Calendar shows a calendar's iCal link (the ICS subscription URL below) only on a computer, never in the phone app. Copy it there once and paste it here. After that, add and change your events on your phone or your computer, whichever you like.
